20 centimetros

[Spain](#), 2005, 112 Minute Running Time

Genres: [Gay/Lesbian](#), [Musical](#)

Program: [Contemporary World Cinema](#)

Language: Spanish *English Sub-Titles*

Reminiscent of the Almodovar style and grounded by an amazing performance by Mónica Cervera, this bittersweet musical comedy is about a narcoleptic transvestite prostitute who longs to rid herself of the 20 centimeters hanging between her legs. She finds a refuge in her dreams where she is transformed into a seductive song-and-dance sensation.
